

Bulletin #07-2011

TO: Select participating ambulatory surgical centers (ASC) in Pennsylvania and Delaware

FROM: Christopher McTiernan
Senior Director, Provider Reimbursement

DATE: June 10, 2011

SUBJECT: ASC fee schedule update

In April, we sent a letter informing you of changes being made to reimbursement rates, effective for dates of service on or after May 1, 2011. Since then, we have identified some codes that were not properly updated. We are working to properly update these codes, and we will reprocess any affected claims.

Please note that you do not need to resubmit any claims that may require an adjustment.

We apologize for any inconvenience this may have caused. If you have any questions about this bulletin, please contact your Network Coordinator.

We encourage you to share this information with appropriate members of your staff.
