

PROVIDER BULLETIN
#25-2016

TO: Participating home health providers that provide covered services to AmeriHealth New Jersey members

FROM: Michael S. Zollenberg
Vice President, Provider Network Operations

DATE: November 22, 2016

SUBJECT: Mother's Option® Fee Schedule update

We are sending this bulletin to inform you of upcoming changes to the Mother's Option Fee Schedule.

The following codes will be added to the fee schedule for dates of service on or after January 1, 2017:

| Revenue code | Service | Frequency | Prior base rate | New base rate | Update type |
|--------------|-----------------------|-----------|-----------------|---------------|-------------|
| 291 | Phototherapy | per day | ■ | ■ | Rate update |
| 551 | Skilled nursing visit | per visit | ■ | ■ | Rate update |

You can also find the complete fee schedule on the AmeriHealth Plan Central page of the NaviNet® web portal. If you have any questions about this bulletin, please contact your Provider Partnership Associate.

Confidentiality

This information is considered to be confidential and proprietary information of AmeriHealth. Unauthorized distribution of this information to third parties is strictly prohibited without the prior written consent of AmeriHealth and may result in irreparable injury, entitling the injured entity to obtain injunctive relief in addition to any other legal and financial remedies available.

Not a guarantee of payment

The listing of codes is not a guarantee of payment. All claims are subject to the terms, conditions, limitations, and exclusions of the member's benefits program as well as AmeriHealth medical and claim payment policies, claims processing guidelines, and other applicable policies and procedures. Some codes may be included in global facility fees and therefore are not eligible for separate reimbursement by professional or ancillary providers.
