

Help our Medicare Advantage members save on prescriptions at preferred pharmacies

Members with Independence Blue Cross (IBX) Medicare Advantage plans can save money by filling their prescriptions at preferred pharmacies.

Effective January 1, 2025, most Medicare Advantage members with IBX coverage will pay \$0 for Tier 1 and Tier 2 prescriptions (which include most generic drugs) at our preferred pharmacies. At standard (non-preferred) pharmacies, our members will have copay amounts that vary by plan.

IBX Medicare Advantage members can find a preferred pharmacy by using our *Find a Pharmacy* tool at ibxmedicare.com/pharmacyfinder. If your electronic medical record (EMR) platform is integrated with PreCheck MyScript, you can use that tool to review lower cost subclass alternatives for our members.

Home delivery/mail order

Most IBX Medicare Advantage members can save money by having eligible prescriptions shipped to their home for free through OptumRx® Home Delivery, administered by our pharmacy benefits manager.

Through mail order, most IBX Medicare Advantage members can get their prescriptions shipped to their home at the same cost-sharing as if they filled it at a preferred pharmacy. This includes 90-day supplies.

How can providers submit a new prescription for home delivery/mail order?

Write the member a prescription for a 90-day supply

Call Pharmacy Benefits

Call the Pharmacy Benefits number on the back of your patient's member ID card, select the physician option, and select the 90-day option.

Electronic prescription

Electronically submit the prescription for home delivery/mail order through OptumRx®.

Paper prescription

- IBX members must fill out a *Mail-In Order Form*, which can be found at ibxmedicare.com/mailorder.
- If members have questions about signing up using a paper prescription, they can call the number on their ID card.

Questions?

Medicare Advantage members with IBX prescription drug coverage can call the number on their ID card or visit ibxmedicare.com to learn more
