

# Help our Medicare Advantage members save on prescriptions at preferred pharmacies

## Members with Independence Blue Cross (IBX) Medicare Advantage plans can save money by filling their prescriptions at preferred pharmacies.

Effective January 1, 2026, most Medicare Advantage members with IBX coverage will pay \$0 for Tier 1 and Tier 2 prescriptions (which include most generic drugs) at our preferred pharmacies.\* At standard (non-preferred) pharmacies, our members will have copay amounts that vary by plan.
